School Business Administrator

June 15, 2017

Dear Parents/Guardians,

If your high school student will be attending Haddon Heights High School in the Fall, (s)he will need a permit issued from the Barrington School District. This is similar to registering into a new school district. You will need to provide the following as proof of residency:

- ✓ Tax bill or Deed to your home
- ✓ Lease with the name of the student listed. If the student is not listed on the lease, then also bring a letter from the landlord stating that the student resides with you in the dwelling.
- ✓ Utility bill with your name and address listed.

You must also show personal photo identification (photo driver's license, passport, etc.) when picking up the permit.

The permits may be obtained at Barrington Board of Education Office, 311 Reading Avenue., Barrington, NJ 08007 during the following hours:

Monday through Thursday: 9:00AM to 3:30PM

Permits may be obtained beginning Monday June 26, 2017 until Thursday, August 31, 2017. The office is closed on Fridays, and 7/3-7/4.

Please call (856) 547-8467 x118 if you need to make other arrangements, or need additional information. Thank you in advance for your cooperation.

Sincerely,

Samuel L. Dutkin, M. Ed.
School Business Administrator
